## LIFEKit Sponsorship Opportunity

Impact73.org/Pinckney Pro-Life has had tremendous success with our LIFEBOARD, LIFEtalk and March for Life Impact Projects. As a result, people from around the country have inquired about using our programs in their own communities. To make this happen, we want to create a **LIFEkit** that we can send to people interested in our programs. The LIFEkit will include:

- DVDs of LIFEBOARD and LIFEtalk presentations
- A sample LIFEBOARD
- Scripts and Apologetics
- Guide to creating an Impact Zone and the March for Life Guide

These LIFE kits will be sent to youth groups, parishes, churches, dioceses and other pro-life groups who want to take part in our projects or start their own Impact Zone. To get this ambitious product going, we need your help! We are looking for special donations to fund this project. To donate, please fill out the donation slip below and insert it in the donation envelope included with this mailing.
