

Pinckney Pro-Life™

## Tips on giving a LIFEtalk

Thank you for your participation in Project LIFEtalk! Without you, we would be unable to effectively spread the truth about the sanctity of life to our generation.

The following information will help you to prepare for the upcoming LIFEtalk:

1. Wear khaki colored pants. PPL will provide a LIFEtalk blue polo shirt. If you don't have khaki pants, wear black.
2. We must always communicate our message of truth with **love** (charity) through our words, actions, and demeanor. Remember that we are representatives of Christians and the pro-life movement.
3. **Memorize** your parts. It will allow you to keep eye contact. This will impress your audience and help you feel more confident.
4. Have fun. Our peers respond to people they can relate to. Show **energy** and **enthusiasm** when you are in front of the group. Remember to be quiet and attentive when others are speaking.
5. Interact with people besides the LIFEtalk team. We are ambassadors for life and the pro-life movement!
6. When confronted with opposition or hostility (this rarely happens), remember to stay calm and confident. Be positive and friendly. End your conversation with, "God bless you!"
7. If you do not know the answer to a question, it is alright to say, "I'm not sure. Can I get back to you with the information?"
8. Take a look at the list of pro-life activities. Look over the ones you will be talking about. We want youth to see how important it is to **do something!**
9. Last ... but not least, remember to **pray!** Keep the upcoming LIFEtalk in your prayers. Pray for the attendees and the speakers. Keep the unborn in your prayers too! This is the BEST way to prepare for the LIFEtalk.

Any questions? Give us a call! 734.426.4740. Thanks again for all you do to help spread a Culture of Life!
